Others	\$17,808,773,204	33.4%	21081				
Total (listng and sale both counted)	\$53,313,119,904	100.0%	62180				

RE/MAX accounts for **23.5%** of the business in Vancouver Market areas, and is involved in 1 in 3 Real Estate Transactions in Canada.

Listing Performance

*Reported sales volume and no. of sales counts both the listings and the sale volume separately thus doubling the actual volume.

**Days on Market (Median, listings sold).

<a>Based on total sales by total no. of active agents in Lower Mainland

RE/MAX out performs with the highest Sales Prices. *** Difference is how much the Sale price differed from the Original price (Median).

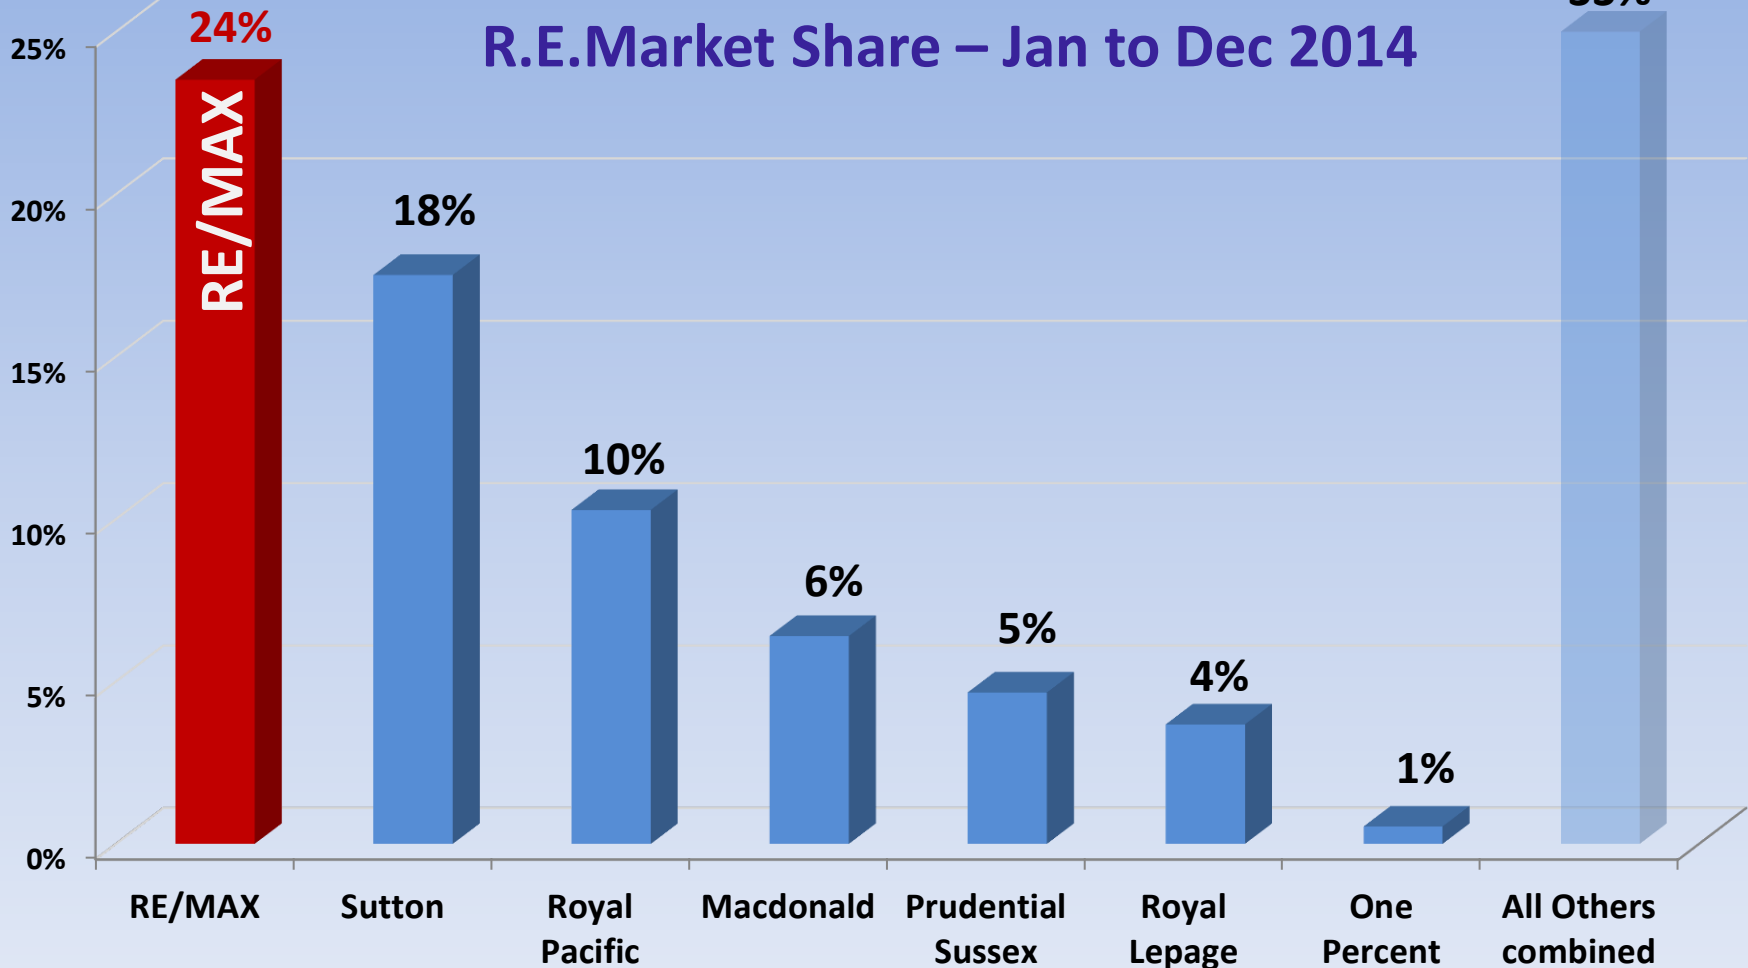

The stats are from the repective Real Estate Boards as per Processed dates.
